Provider travel **time** is charged equivalent to the lowest hourly service rate of NDIS services that Avivo deliver.

For Support Coordination, Nursing, Positive Behaviour Support and ILO Exploration and Design the amount charged will align with the service being provided, and the travel time will be the actual time travelled (capped at 30 or 60 minutes, depending on location).

* Shift Boundaries

When a support worker is with you and the service crosses into a time of day that we pay them a penalty rate we will charge you the higher price for the whole service. This is how we pay our support workers. We will work with you to try and adapt your roster to avoid the higher price limit (Support Coordination, Positive Behaviour Support, Nursing and ILO Exploration and Design are excluded from these charges).

* Non-face-to-face

There is work we need to do to support you, that is done when we are not with you for example writing progress reports, support plans, direct telephone, or video supports. The charges for these supports are agreed in your budget and service agreement.

* Cancelled Services

If less than 7 clear business days provided by you to cancel a service, Avivo will charge you in full for the support.
